Dear JANE,

You have **failed** both the **Written** and the **Manual Skill** portions of HEADMASTER's Nurse Aide Competency Exam in the areas listed below. You must have an overall score of 75% or better on the written exam and 80% or better on each skill task without missing any "key Steps" to pass the skills exam. Your overall written exam score is 64 % . Any weaknesses indicated in your test results are listed below:

Skill Task(s) You Failed: Mouthcare Comatose / / / /

Vocabulary words to study: abdominal thrust, Angina pectoris, bed position, call light, care plan, cast, charge nurse, choking, clergy, dentures, digestion, dressing resident, facility policy, falls, function with assistance, hand tremors, Heimlich maneuver, incontinence, integumentary system, interventions, moving a resident, neglect, oxygen, Parkinson's, personal care, personal possessions, pulmonary disease, pulse, resident rights, severe tremors, stethoscope, subjective, sun-downing, thrombus, transferring, unconscious, visually impaired, weak side, wheelchair safety

You are eligible to take the CNA test exam three times before you must repeat a North Dakota Dept of Health approved training program. **This was your first attempt.** Please contact your tester and schedule yourself to retake both the Written and Manual Skill Exam. You can always download forms and information at www.hdmaster.com

If you are requesting an oral version of the Written Test, write oral on this line: _____
 Oral includes a cassette tape on which questions are read out loud. There is an additional fee for an oral test. See form 1402.
