Vocabulary words to study: accidents, ADL's, aging process, ambulation, aphasia, appropriate response, arteries, breathing, cancer, communication, communication with depressed resident, confused resident, dementia, dentures, elimination of wastes, evacuation, fire, hearing impaired, infection, material safety data, nosocomial, nurses station, observation, ombudsman, over bed, pulse, range of motion, respiration, scale, stroke, subjective, tub bath, vital signs

You are eligible to take the CNA test exam three times before you must repeat a North Dakota Dept of Health approved training program. **This was your first attempt.** Please contact your tester and schedule yourself to retake the Written Exam. You can always download forms and information at www.hdmaster.com.

If you are requesting an oral version of the Written Test, write oral on this line. ____ Oral includes a cassette tape on which questions are read out loud. There is an additional fee for an oral test. See form 1402.
