Dear Training Facilities,

Below is a list of upcoming STNA instructor workshops which will be provided by D&S Diversified Technologies. THESE WORKSHOPS ARE FOR NEW INSTRUCTORS AND THOSE NEEDING INFO INTO THE TESTING PROCESS. The **STNA Instructor workshops** are for training program instructors and program coordinators. These workshops are designed to help facilities better understand the testing process for their candidates. Please send this back to D&S by THREE weeks prior to the workshop date so we can make every attempt to accommodate those interested in attending the workshop. We can only accept **two participants per facility**. Please select your 1<sup>st</sup> and 2<sup>nd</sup> choice of the workshop location that you would like to attend and mail or fax this form to D&S Diversified Technologies.
