Hello CNA Instructors!

May 16th, 2021

In order to comply with COVID-19 precautions, we are again going to be hosting virtual CNA Test Instructor workshops in July. **Once you email requesting a reservation, you'll be given access to watch the Instructor Workshop presentation at your convenience. You will need to have completed viewing the presentation before the July 9th or 12th Instructor Workshop date that you selected to attend.**

On these dates at we will be holding 2 Question and Answer sessions - 10amET and a 2pmET - for workshop participants that have viewed the Instructor workshop presentation. Feel free to sign up for whichever date works for your schedule. Location of the workshop no longer applies as these will be conducted online.

Please keep in mind, you will need to have already viewed the CNA Instructor Workshop presentation prior to the Q&A sessions.

The purpose of the Q&A session is to answer any questions you may have about the materials covered in the presentation. An observer will be on hand as well to help answer questions in regards to the skills.

Please email us at hdmastereast@hdmaster.com to sign up for a workshop Q&A session.

We'll email you information about how to access the presentation soon. If you have any questions about this please contact our office for assistance.

Thank you!
