Just point out the area where the supplies are for the scenarios the candidate will be demonstrating.
- Be sure the candidate signs the recording form on which you have already printed his/her name, *if it will be needed* for one or more of the scenarios. Make sure the recording form is on a small clipboard.
- Be sure you have instructed the candidate as to the location of the designated relaxation “waiting” area.
- Answer any remaining questions the candidate may have, remind the candidate that you may not answer any questions once the skill test begins.
