CNA INSTRUCTOR WORKSHOP FOR NURSE AIDE INSTRUCTORS

Dear Training Facilities,

Below is a list of upcoming CNA instructor workshops which will be provided by D&S Diversified Technologies in the fall of 2009. The **CNA Instructor workshops** are for training program instructors and program coordinators. These workshops are designed to help facilities better understand the testing process for their candidates. **Please send this back to D&S at least two weeks prior to the workshop date** so we can make every attempt to accommodate those interested in attending the workshop. We can only accept one participant per facility. Please select your 1st and 2nd choice of the workshop location that you would like to attend and mail or fax this form to D&S Diversified Technologies. We do have limited space so you will receive a confirmation letter, fax or call once you are scheduled for a workshop. If you do not hear from us please do not hesitate to call us toll free at 1-877-201-0758 or 1-877-851-2355. Thank you in advance for mailing by the required date. Please feel free to call to confirm your registration.
