

D&SDT - HEADMASTER HIRES WISCONSIN REGISTERED NURSE TO SERVE AS IN-STATE COORDINATOR

[Helena, MT, January 30, 2019] D&SDT - HEADMASTER is pleased to announce that we have hired Sara Skowronski, RN to serve as the Wisconsin In-State Coordinator effective immediately. Sara Skowronski, RN holds a Master of Science in Nursing Degree and has over a decade of long-term care nursing experience, supervising nurse aides as well as teaching experience in the nursing assistant program at a technical college in southeastern Wisconsin. Sara can be reached via email at Skowronski@hdmaster.com. In her role as the Wisconsin In-State Coordinator, she will be training and providing quality assurance of all RN Test Observers, conduct quality assurance activities for all nurse aide test facilities and investigate official test review requests from nurse aide candidates. She will also oversee the quality assurance of each approved skill step and knowledge test item.
