

THIS TEST BOOKLET MAY NOT BE TAKEN FROM THE TESTING ROOM
D&SDT MOCK TEST TEMPLATE Transcription Test #777

General Instructions

You have taken Mack Testmann to the health care provider and have received the medication from the pharmacy. The date is November 15, yr. The time is 1:00pm.

Use the health care provider's order, pharmacy label and generic equivalents to discontinue the appropriate medication order and transcribe the new medication order onto the medication sheet.

You are not being asked to administer this medication. This is a transcription exercise only.

Only the marks you make on your medication sheet will be scored.

When you have finished, raise your hand and the test administrator will collect the test and all testing materials.
