Forming a Business Entity Resources

for nurse entrepreneurs who want to create their own destiny

D&S Diversified Technologies (D&SDT) - HEADMASTER, LLP is GROWING….
Come grow with us!

Remember the saying….

TWO things in life are for certain:

Death

And

Taxes?

The IRS decided that we need to clarify the agreement with our RN Test Observers; therefore, in order to remain as independent contractors, D&S DT-Headmaster, LLP must contract with businesses not individuals.

What does that mean for you?

If you already have an LLC or other Business Entity...

You will just need to complete the **1505IC and other 1500IC series forms** with your business name, FEIN and state ID number from your articles of organization with your state.

And

An IRS W-9 FORM

If you do NOT have a Business...

Welcome to the wonderful world of Nurse Entrepreneurship where you can create your own destiny…

You will create a business (typically an LLC) through your state's appropriate department and request an FEIN number - federal tax ID number.

You can choose the name of your business.

After you receive your state assigned business number and FEIN number, complete the new 1505IC and 1500IC series of forms and a new W-9 found here.
