V 62	*September 1, 2021*	NEW TESTING ATTIRE: Fingernails need to be short (no longer than ¼ inch in length), well-kept (filed, no jagged edges), and clean. TESTING ATTIRE OLD V61: Artificial nails are not allowed while testing. This includes, but is not limited to, extenders, bondings, acrylic tips, appliqués, wrapping, tapes, gels, fiber, or nail jewelry, including glued or pierced. Natural fingernails should be short and well-kept and no longer than ¼ inch in length. NEW TESTING POLICIES: Foreign word-for-word translation dictionaries are allowed. No electronic dictionaries are allowed. Please see more detailed information under the Knowledge Test section. TESTING POLICIES OLD V61: No translation dictionaries are allowed, either in paper format or electronic. NEW KNOWLEDGE EXAM: Foreign language paper word-for-word translation dictionaries are allowed and must be shown to the RN Test Observer at check-in (for both a virtual knowledge test and an on-site test event) and to the Knowledge Test Proctor when you enter the knowledge test room (on-site test event). If there is any writing or definitions, the translation dictionary will not be permitted to be used during testing. Electronic dictionaries are not allowed. ADDED NO SHOW EXCEPTIONS: **Virtual testing issues:** D&SDT-HEADMASTER must be contacted within one business day via phone call, fax, or email, and appropriate documentation must be submitted within **three (3) business days** of the exam date. If we do not receive proof within the 3-business-day time frame, you will have to pay as though you were a no-show. ▪ Internet outage or issue: Documentation from the Internet provider showing outage date and times. ▪ Computer or cell phone issue: If a computer or cell phone fails to work for any reason, documentation from a computer repair technician/shop or other appropriate documentation.
