

## TMU© INSTRUCTIONS ENTERING A STUDENT IN TMU© AT START OF TRAINING

As a Primary Instructor teaching nurse aide training, you will need to request a login to access TMU©. If you do not have a login, that request can be submitted [here](#).

In order to enter students into TMU© at the start of their training, log into <https://mn.tmutest.com> and click on "Students":

Click the + sign next to Create:

Enter the Student's FIRST and LAST name as it appears on their government issued ID, their personal cell phone number, and their personal e-mail address. The cell phone number and email address are used to receive text notifications regarding testing and renewals. The email address is also used to log into TMU©.

If a candidate is a challenge candidate, they will need to fill out the challenge application form 1101MN located at [www.hdmaster.com](http://www.hdmaster.com), click on Minnesota (*link to form will be provided once form is live on the webpage*). Once the form is completed and submitted to D&SDT-Headmaster, an account will be created for the challenge candidate in TMU© so they can register for a knowledge and skills test in Minnesota. D&SDT-Headmaster will communicate with the candidate when this is completed via email and provide the candidate with their USERNAME and temporary PASSWORD to sign into their account at <https://mn.tmutest.com>. The challenge candidate will need to complete their testing record (instructions are available in the [Minnesota Nurse Aide Candidate Handbook](#)).

**If you have any questions, please don't hesitate to call D&SDT-Headmaster (888)401-0462.**
