## INTRODUCTION

In 1987, Congress adopted the Nursing Home Reform Act as part of the Omnibus Budget Reconciliation Act (OBRA'87). It was designed to improve the quality of care in long-term care facilities and to establish training and evaluation standards for nurse aides working in such facilities. Each state is responsible for following the terms of this federal law.

As defined in the OBRA regulations, a Nurse Aide competency evaluation program provides specific standards for nurse aide-related knowledge and skills. The purpose of a Nurse Aide competency evaluation program is to ensure that candidates who are seeking to be nurse aides understand these standards and can competently and safely perform the job of an entry-level nurse aide.

Requirements to be registered as a CNA in South Dakota:

- Complete a 75-hour Board-approved nurse aide training program
- Complete the nurse aide competency evaluation program:
  - Nurse Aide Knowledge Exam
  - The SDBON Skills evaluation: see <https://www.sdbon.org/SkillsEvaluation.asp>
- Apply to the South Dakota Board of Nursing and meet all other requirements for registration.

This handbook describes the process for taking the **Nurse Aide Knowledge Exam**. The South Dakota Board of Nursing (SDBON) approved D&S Diversified Technologies-Headmaster, LLP to administer and score the exam. For questions not answered in this handbook, please contact D&SDT-Headmaster at email [southdakokta@hdmaster.com](mailto:southdakokta@hdmaster.com), (800) 393-8664 during regular business hours 7:00AM to 7:00PM (CT), Monday through Friday, excluding Holidays, or go to D&SDT-Headmaster's Nurse Aide webpage at [hdmaster.com](http://hdmaster.com).

The information in this handbook will help you prepare for the Knowledge Examination and should be kept for future reference.

## AMERICANS WITH DISABILITIES ACT (ADA)

### ADA COMPLIANCE

The SDBON and D&SDT-Headmaster provide reasonable accommodations for candidates with disabilities or limitations that may affect their ability to perform the nurse aide competency examination. Accommodations are granted in accordance with the Americans with Disabilities Act (ADA).

If you have a qualified disability or limitation, you may request special accommodations for the examination. D&SDT-Headmaster must approve accommodations in advance of the examination. Complete the [ADA Accommodation Request Application](#) found on the SDBON TMU© main page under 'APPLICATIONS' to be reviewed for accommodation.

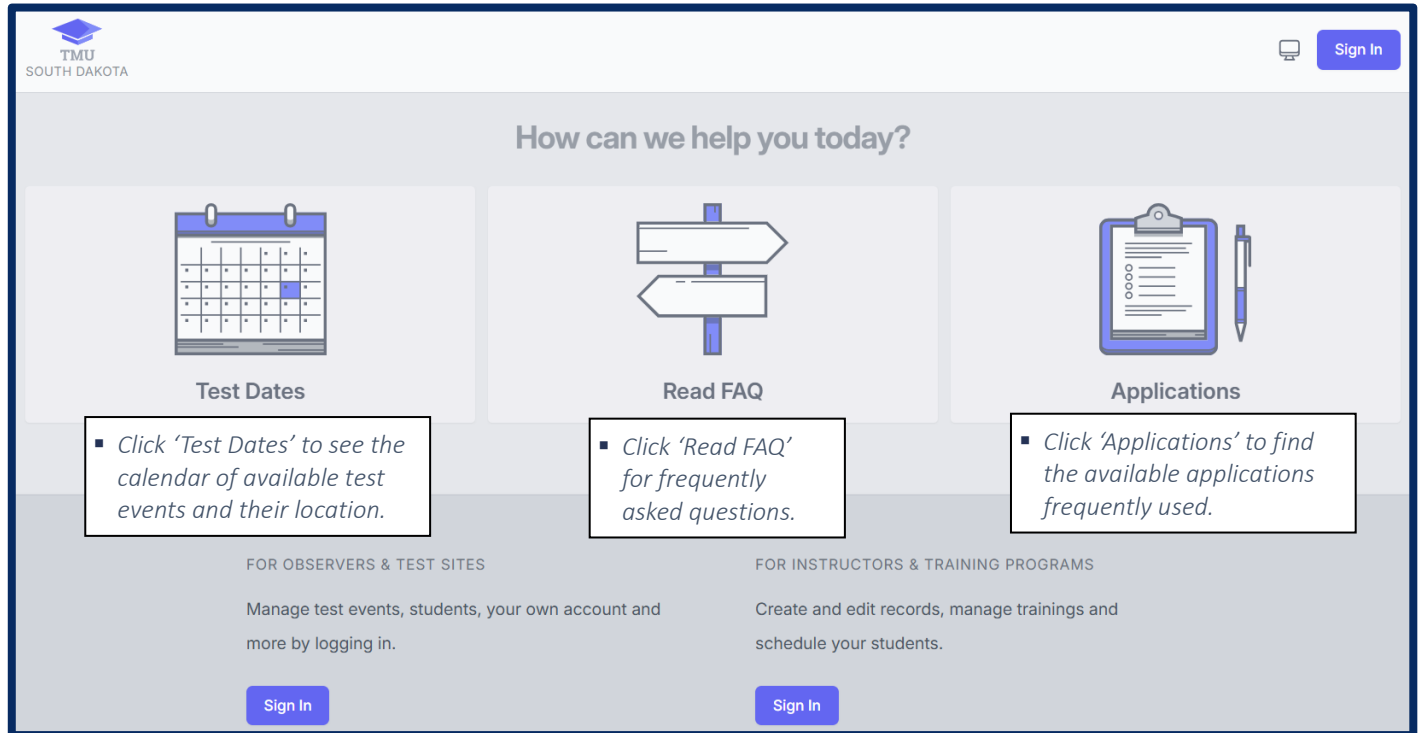

ADA Accommodation Request Applications submitted without the required supporting documentation of a diagnosed disability will not be reviewed until the required documentation is provided. D&SDT-Headmaster will email you if any further documentation or information is required, using the email address in your TMU© account.

**Please allow additional time for your request to be approved.** If you have questions regarding the ADA review process or specific required documentation, please call D&SDT-Headmaster at (800) 393-8664.

If D&SDT-Headmaster is unable to reach you via phone call or email with the information in your record (*\*see examples below*) in the event of an unforeseen circumstance for a test event you are scheduled for, you will be taken out of the test event, and D&SDT-Headmaster will not reschedule you until we hear back from you.

You will forfeit all fees paid and must sign in to your TMU© account to repay or submit a new testing fee to schedule a new test event.

These fees partially offset D&SDT-Headmaster costs incurred for services requested and the resulting work performed. If a reschedule or refund request is not received at least one full business day before a scheduled test event, excluding Saturdays, Sundays, and Holidays (see examples in this handbook’s **Schedule / Reschedule a Test Event** and **Refund of Testing Fees Paid** sections), a NO-SHOW STATUS will exist. You can schedule a retest online by signing in to your TMU© account at [sd.tmutest.com](https://sd.tmutest.com). (See this handbook's **Schedule / Reschedule a Test Event** for rescheduling instructions.) You will need to pay with a Visa or Master Card credit/debit card before you can schedule.

If you need assistance scheduling your re-test, please call D&SDT-Headmaster at (800) 393-8664. We can assist you with scheduling a retest date, provided your fees have been paid.

## TEST REVIEW REQUESTS

You may request a review of your test results or dispute any other testing condition. The purpose of this review process is to ensure fairness and accuracy in the evaluation of your test.

**PLEASE READ BEFORE FILLING OUT THE TEST REVIEW REQUEST:** Please call D&SDT-Headmaster at (800) 393-8664 during regular business hours, 7:00 AM to 7:00 PM CT, Monday through Friday, excluding holidays, to discuss the test outcome you are questioning before committing to paying the \$25 non-refundable test review request deposit. Once you have further details about the scoring of your test, you will often better understand the scoring process and learn how to prepare more effectively for subsequent exam attempts. If, after discussing your concerns with D&SDT-Headmaster staff, you still have concerns about your testing process that affected the outcome of your exam, you may submit a Test Review Request.

**There is a \$25 non-refundable test review deposit fee.** To request a review, complete the [Test Review Request and Payment Application](#), available on the South Dakota TMU© main page under 'APPLICATIONS' (before logging in to your account) at [sd.tmutest.com](http://sd.tmutest.com). Test Review Requests must be received **within three (3) business days** from the official scoring of your test (excluding Saturdays, Sundays, and Holidays). Late requests will be denied and will not be considered.

The likely outcome of your review will determine who pays for any retests that may be granted. If, after investigation, the review finding is in your favor, you will be refunded the \$25 test review deposit. If the review findings are *not in your favor*, the \$25 test review deposit will remain, and the fee is non-refundable.

D&SDT-Headmaster will review your detailed recollection and knowledge test markings, as well as the markings and notations recorded by the test Proctor at the time of your test. We will interview the test Proctor about the facts detailed in your dispute documentation. D&SDT-Headmaster will recheck the scoring of your test and may contact you for any additional information about the test event.

After a candidate turns 18, D&SDT-Headmaster will discuss test results or test disputes only with the candidate. D&SDT-Headmaster will not review test results or disputes with instructors, training programs, family members, or anyone else on behalf of the candidate once the candidate reaches 18 years of age.

D&SDT-Headmaster will complete your review request within ten business days of receiving it within the required timeframe. The final determination of the review results will be sent to the email address listed in your TMU© account, along with a notification to the South Dakota Board of Nursing.
