 - a. If you do not see a response to your pdfFiller application in your inbox, please check your junk mail and spam folders!
4. **IMPORTANT!** View the Candidate Handbook online at:
<https://www.hdmaster.com/testing/cnatesting/montana/mtformpages/forms/MTCandidateHandbook%204.2023.pdf>, it is available to view online or you may print it.
 - It includes all the rules and instructions for testing, a terminology and vocabulary list to study for the knowledge test, and a list of all the skills tasks on which you can be tested with a very specific study guide for each skill task.
 - When you challenge the exam, you are only allowed one attempt to take the exam.
 - Training and/or working in a facility are very different from testing. The easiest way to not be successful when you take the exam is to not be familiar with the skill tasks as they are currently being tested!

Thank you!
