 - a. You must include an email address on your application form so you receive your Confirmation Letter and Test Results.
4. **IMPORTANT!!!** View the Candidate Handbook online at https://hdmaster.com/testing/cnatesting/montana/mtformpages/forms/MT_CNA_CandidateHandbook2018.pdf, you can view this online or print it. It includes all the rules and instructions for testing, a terminology and vocabulary list to study for the knowledge test, and a list of all the skills on which we test with a very specific study guide for each skill. When you challenge the exam, you only get one chance to take the exam. Training and/or working in a facility are very different from testing. The easiest way to fail the exam is to refrain from studying the skills as they are currently being tested!

Thank you!
