

Oregon Nurse Aide and Medication Aide  
**Test Site Agreement Form**

We will allow Nurse Aide Knowledge and Skill Tests and/or Medication Aide Knowledge Tests to be administered at our facility under the following guidelines:

**As an In-Facility and Regional Test Site, we agree to:**

1. Submit NO more than eighteen skill test candidates per testing date (and no less than five per four-hour flight) per RN Test Observer. (Most RN Test Observers will desire fewer than 18 candidates per test event and will want at least five to assemble a testing team.)
2. Complete, upload the required images, and submit the **Nurse Aide** and **Medication Aide Test Site Application** in the Oregon TMU© <https://or.tmutest.com/apply/12>. A remote test site visit may also be arranged with the test site by D&SDT-HEADMASTER staff.
3. Supply an approved, distraction- and interruption-free area for testing nurse aide (NA) candidates on the Knowledge and Skill Tests (and/or medication aide candidates – MA on the Knowledge Test). The knowledge and skill test areas may be used for up to 9 hours on a test day when accommodating an overbooked two-flight test event.
4. Allow D&SDT-HEADMASTER to create requested test events in TMU©, including linking a D&SDT-HEADMASTER/OSBN certified TASE/RN Test Observer that has committed a testing team to the test event for test dates created.
5. Use **TMU©** to schedule test seats for our own candidates who complete an Oregon State Board of Nursing (OSBN)-approved nurse aide (or medication aide) training program. (Link to **TMU©** at [or.tmutest.com](http://or.tmutest.com))
6. Unannounced visits by the Oregon State Board of Nursing (OSBN) and D&SDT-HEADMASTER staff for the purpose of observing tests in progress to improve competency testing in Oregon.
7. **Allow unfilled test slots/seats reserved for our own candidates to be used by candidates at large within 48 business hours before a scheduled test event.**
8. Schedule additional mutually agreed-upon test dates with D&SDT-HEADMASTER as far in advance as possible to help meet the overall testing demand in our area. D&SDT-HEADMASTER staff will contact and schedule the test teams for any Regional events we allow to be held in our facility.
9. On testing days, allow the D&SDT-HEADMASTER/OSBN-certified RN Test Observer, Actor, Knowledge Test Proctor (KTP), our own trained candidates, and test candidates at large admittance to our approved Test Site.
10. Hold test teams and test candidates accountable for damage, theft, or any other act or action harmful to the facility in any way.
11. Assume all liability for our own test candidates.
12. Waive liability claims against D&SDT-HEADMASTER and/or OSBN in assuming any liability for any of the entities involved in testing. (D&SDT-HEADMASTER/OSBN certified RN Test Observers, Actors, KTPs, or test candidates.)

**As a CLOSED In-Facility Test Site, we agree to:**

- As a certification test vendor, D&SDT-HEADMASTER must ensure the security of knowledge and skill test items and proprietary test delivery software.
- Certification test events are expected to be conducted in a distraction-free environment with high personal privacy and security. Photographing, videotaping, or recording via security or surveillance cameras or any other device while any knowledge or skill testing is being conducted is expressly prohibited unless advance written permission has been granted by D&SDT-HEADMASTER and/or the Oregon State Board of Nursing (OSBN).
