HOW TO SCHEDULE OR RESCHEDULE A TEST EVENT

(AFTER YOUR TESTING FEES HAVE BEEN PAID)

NOTE: Your testing fees have to be paid before you can schedule a test event. Please see instructions in your state's Candidate Handbook on how to self-pay your testing fees. Some programs/facilities may pre-pay their candidates' testing fees; please check with your program to see if this is the case before self-paying your testing fees.

These instructions are the same for Medication Aide/Assistant and other testing (example: Caregiver and Manager, etc).

Sign in to your TMU© account using your **Email** or **User ID** and **Password**.

If you don't remember your Password, please see the 'Forgot Your Password and Reset Your Account Instructions' in your state's candidate handbook, or under the How To Guides for Candidates on your state's web page at www.hdmaster.com, then click on your state.

This is an example of the main candidate screen:

The screenshot shows the TMU candidate dashboard. At the top, there is a navigation bar with icons for Tests, Trainings, Employment, Downloads, and Profile. The 'Tests' icon is highlighted with a red box. Below the navigation bar, a large blue banner reads 'Click Tests Or View Your Testing History'. The main content area is divided into several sections: 'Training History' with a 'View Your Training History' button; 'Testing History' with a 'View Your Testing History' button (highlighted with a red box); 'Your Profile' with a 'Manage Your Profile' button; 'Downloads' with a 'View Downloads' button; and 'Employment History' with a 'Your Employment History' button. At the bottom, there is a section for 'Your Certification History' which currently shows 'No data found'.
