INTRODUCTION

A certified medication assistant (CMA)/medication assistant-certified (MA-C) competency evaluation program ensures that candidates seeking to be CMA/MA-Cs understand the state standards and can competently and safely perform the job of an entry-level CMA/MA-C.

This handbook describes the certified medication assistant (CMA)/medication assistant-certified (MA-C) competency examination process and is designed to help prepare candidates for testing. CMA/MA-Cs are required to successfully complete an education program and pass a certification exam before being allowed to function in the role of a CMA/MA-C in a nursing home in Arkansas. Exam candidates must be registered, complete approved training, pass a multiple-choice knowledge test, and meet all other requirements of the Arkansas Board of Nursing (ASBN) for certification in Arkansas.

The Arkansas State Board of Nursing (ASBN) has approved D&S Diversified Technologies, LLP (D&SDT)-HEADMASTER, LLP to provide tests and scoring services for CMA/MA-C testing. For questions not answered in this handbook, please contact D&SDT-HEADMASTER at (888)401-0462 or go to D&SDT-HEADMASTER's [Arkansas Medication Assistant Web Page](#) or at www.hdmaster.com and click on 'Arkansas CMA/MA-C'. The information in this handbook will help you prepare for your examination.

AMERICANS WITH DISABILITIES ACT (ADA)

ADA Compliance

The Arkansas State Board of Nursing (ASBN) and D&SDT-HEADMASTER provide reasonable accommodations for candidates with disabilities or limitations that may affect their ability to perform the CMA/MA-C competency examination. Accommodations are granted in accordance with the Americans with Disabilities Act (ADA).

If you have a qualified disability or limitation, you may request special accommodations for the examination. D&SDT-HEADMASTER must approve accommodations in advance of the examination. Complete the [ADA Accommodation Request Application](#) found on the Arkansas CMA/MA-C TMU© main page under 'APPLICATIONS' to be reviewed for accommodation.

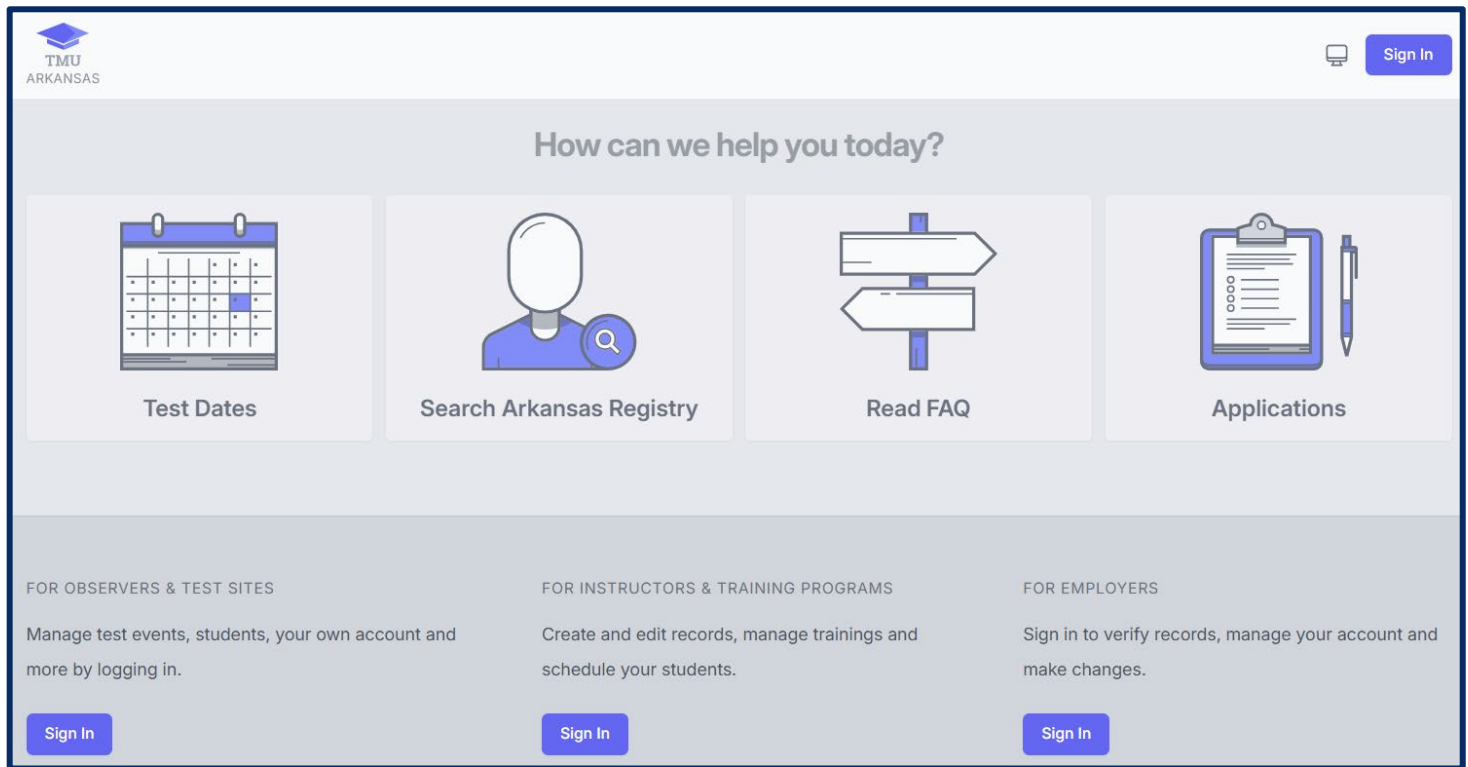

ADA Accommodation Request Applications submitted without the required supporting documentation of a diagnosed disability will not be reviewed until the required documentation is provided. D&SDT-HEADMASTER will email you if further documentation or information is required using the email in your TMU© account.

Please allow additional time for your request to be approved. If you have questions regarding the ADA review process or specific required documentation, please call D&SDT-HEADMASTER at (888)401-0462.

Test Attempts

Medication assistants completing the training program and seeking certification as a certified medication assistant (CMA)/medication assistant-certified (MA-C) shall sit for the examination **within 90 days** from the time of completion of the training program. If you fail the initial examination for certification as a CMA/MA-C, you will be eligible to retake the certification examination two times. The two retakes must be taken within six months of completion of the training program. If you do not complete testing within six months of completion of training, you must retrain to become eligible to further attempt the Arkansas CMA/MA-C examination.

Retaking the CMA/MA-C Exam

If your test results inform you that you failed the knowledge exam and want to apply for a retest, you will need to pay the testing fee. Once the testing fees for your retake are paid, you will be eligible to choose a test site and date.

You can schedule a test or re-test online by signing in to your TMU© account at ar.tmutest.com. Follow the instructions under '**Schedule / Reschedule a Test Event**'.

If you need assistance scheduling your re-test, please call D&SDT-HEADMASTER at (888)401-0462 during regular business hours, 7:00AM to 7:00PM CT, Monday through Friday, excluding holidays. We can assist you in scheduling a test or retest date as long as your fees have been paid.

Test Review Requests

You may request a review of your test results or dispute any other testing condition. The purpose of this review process is to ensure fairness and accuracy in the evaluation of your test.

***PLEASE READ BEFORE FILLING OUT THE TEST REVIEW REQUEST:** Please call D&SDT-HEADMASTER at (888)401-0462 during regular business hours, Monday through Friday, 7:00AM to 7:00PM CT, excluding Saturdays, Sundays, and holidays, and discuss the test outcome you are questioning before committing to sending the \$25 test review request deposit fee. Once you have further details about the scoring of your test, you will often understand the scoring process and learn how to better prepare yourself for subsequent exam attempts. If, after discussion with D&SDT-HEADMASTER staff, you still have a concern with your testing process that affected the outcome of your exam, you may submit a Test Review Request.

There is a \$25 non-refundable test review deposit fee. To request a review, complete the [Test Review Request and Payment Application](#), available on the Arkansas TMU© main page, under 'APPLICATIONS' (before you log in to your account) at ar.tmutest.com. Test Review Requests must be received **within three (3) business days from the official scoring of your test** (excluding Saturdays, Sundays, and holidays). Late requests will be denied and will not be considered.

Since one qualification for certification as a CMA/MA-C in Arkansas is demonstrated by examination of minimum medication assistant knowledge, the likely outcome of your review will determine who pays for any retests that may be granted. If, after investigation, the review finding is in your favor, you will be refunded the \$25 test review deposit. If the findings of the review are *not in your favor*, the \$25 test review deposit will stand, and the fee is non-refundable.

D&SDT-HEADMASTER will review your detailed recollection and your knowledge test markings, in addition to reviewing markings or notations recorded by the RN Test Observer at the time of your test. D&SDT-HEADMASTER will re-check the scoring of your test and may contact you and/or the RN Test Observer or KTP for any additional recollection of your test.

D&SDT-HEADMASTER will only discuss test results or test disputes with the candidate. D&SDT-HEADMASTER will not review test results or disputes with instructors/education training programs, family members, or anyone else on behalf of the candidate.

D&SDT-HEADMASTER will complete your review request within ten (10) business days of receiving it in a timely manner. D&SDT-HEADMASTER will send the review results to your email address and the Arkansas State Board of Nursing (ASBN).
